

## Declaration of Compliance with Regulations

Based on the today's state of knowledge and on previous statements from our suppliers of raw materials and components, Tekox (Técnica de Conexiones S.A.) declares that the products;

### Terminal Strips and Blocks

To which this declaration refers, are in conformity with the following documents:

**RoHS Directive 2011/65/UE, 2015/863/UE**

**WEEE 2012/19/UE**

Following the prescriptions of this Directive, the products manufactured at our facilities, do NOT CONTAIN products included in Article 4 of this Directive.

**REACH 1907/2006/UE**

We have actively prompted our relevant suppliers to fulfill their obligation according to article 33 of the REACH regulation to provide information about the substances indicated in the candidate list, provided that these substances are included in the preparations and products delivered to us in concentrations above the defined limit value.

TEKOX doesn't use any materials that contain substances indicated in the candidate list (status: June 2020) in concentrations higher than 0.1% by weight. As only substances from the Candidate list may become subject to authorization this information implicates substances listed in Annex XIV and in Annex XVII

With the exception of lead, which does not exceed 4% lead by weight, as an element of copper alloy (brass) for making the connection terminals, in accordance with section 6c) of Directive 2011/65/UE Annex III.

In case we will get update information from our suppliers, we will inform our customers.

Llanera, 18<sup>th</sup> September of 2020

Signed:

*Alberto González*  
Operations Manager
